Keep forearms parallel with the top of your desk and wrists in a neutral posture.

How to use a Mousepad

- 2. Arm position:** Check your sitting height to ensure your forearms are horizontal and your wrists are in a neutral position when mousing

Aftercare:

- Cleaning:** Wipe over with a damp microfibre cloth. Do not use any cleaning solutions.
- Handling & Storage:** Read and follow all instructions and warnings before use. This product is intended for indoor use only.
