

USB-C® Charging Cabinet

Part Number: K67716EU | EAN code: 5028252650892

Secure USB-C® charging made simple.

In today's busy environments, educators, corporate professionals and healthcare workers face significant challenges in managing multiple tablets, smartphones, headphones and power banks. Unsecured devices risk theft or damage, while slow charging leads to frustrating downtime.

The Kensington USB-C® Charging Cabinet effectively addresses these challenges by offering a secure and efficient solution that transforms device management.

Delivering rapid charging and robust protection from theft and overheating, this cabinet empowers users to focus on their work, enhancing productivity and user satisfaction.

- Rapidly charges tablets, smartphones and headphones simultaneously
- Lockable cabinet safeguards devices against theft and damage
- Supports USB-C® devices (up to 18W) without the need for adapters
- Accommodates up to 10 devices via adjustable shelving
- Robust locking mechanism
- Integrated smart cooling system prevents overheating
- LED indicators provide real-time charging status updates
- Meets ISO/IEC 27001 standards for data protection
- 1-year limited warranty

USB-C® Charging Cabinet

Part Number: K67716EU | EAN code: 5028252650892

Fast Charging Technology

PD 3.0 technology rapidly charges all compatible devices simultaneously, ensuring they are ready for use whenever needed, boosting productivity in busy environments.

Secure Device Storage

A robust, lockable design protects valuable electronics against theft and damage. The cabinet can be secured to a table or desk using either the mounting plate or Kensington cable lock (sold separately).

Future-Proof Compatibility

Accommodates the latest USB-C® devices accepting up to 18W power delivery, including tablets, smartphones, headphones and portable gaming consoles, without the need for multiple adapters, ensuring long-term usability and adaptability as technology evolves.

Ample Storage Capacity

Securely holds up to 10 devices via adjustable shelving, making it ideal for managing multiple tablets and smartphones. Up to 3 cabinets can be stacked to boost capacity to hold up to 30 tablets, maximising space efficiency and supporting large-scale deployments.

Robust Locking Mechanism

Features a tamper-resistant door secured with a Kensington lock, protecting devices from unauthorised access and improving security in any setting.

Integrated Smart Cooling System

The cooling system activates during charging, dynamically adjusting the fan's RPM across four speed levels. This promotes efficient heat dissipation and optimal temperature management, safeguarding devices from overheating.

User-Friendly LED Indicators

Clear LED indicators provide real-time updates on charging status, allowing users to easily monitor when devices are fully charged and ready for use, enhancing convenience and efficiency.

Enhanced Data Security Compliance

Designed to support ISO/IEC 27001 compliance, this cabinet helps organisations mitigate risks related to data confidentiality and integrity, keeping sensitive information protected while equipment is stored and charged.

USB-C® Charging Cabinet

Part Number: K67716EU | EAN code: 5028252650892

USB Interface

	Type of USB Connector	USB-C
--	-----------------------	-------

USB Connections

	Ports	USB-C PD 3.0
--	-------	--------------

LED Indicator

	Green LED	Fully Charged
	Red LED	Charging
	Red Flash	Error Indication

Material Specifications

	Exterior	Steel and ABS
	Interior	ABS (laptop tray)
	Product Color	Black

Product Dimensions

	Unit Dimensions	400 x 350 x 430mm (15.7 x 13.7 x 16.9")
	Unit Weight	16.5kg (36.4lbs)
	Shelf Dimensions	280 x 242mm (11.02 x 9.52")
	Internal dimensions without shelves	242 x 285 x 348mm (9.52 x 11.22 x 13.7")
	Space between shelves	28mm (1.1")

Packaging Dimensions

	Packaging Style	B2B Brown Box; FSC® certified.
	Packaging Dimensions	512 x 462 x 500mm (20.1 x 18.1 x 19.6")
	Packaging Weight	18.3kg (40.3lbs)
	Packaging Content	1 x Charging Cabinet 2 x Keys K67716EU: 2 x Power Cords (EU & UK) 4 x Fixing Screws 1 x Instruction Guide 1 x Warranty Card 1 x Compliance Sheet 1 x Safety Booklet
	Master Carton	1pc

USB-C® Charging Cabinet

Part Number: K67716EU | EAN code: 5028252650892

Power & Environmental

USB-C Power Delivery	12V/1.5A, 9V/2A, 5V/3A, max. 18W per port
Packaging Content	100-240V, 50/60Hz, 2.5A 100-120V, 50/60Hz, 6.8A 200-240V, 50/60Hz, 3.4A
Relative Humidity	5 to 95% (non condensing)
Operating Temperature	0 to 40°C (32 to 104°F)
Storage Temperature	-10 to 70°C (-40 to 158°F)

Country of Origin, Regulatory and Warranty

Country of Origin	Taiwan
Certifications & Compliance	EMC: FCC, ICES-003, CE, UKCA, RCME Safety: LVD, UL, CB, AS Safety, TUV GS Mark, REACH, RoHS
Warranty	1-Year Limited
