## GBC 240 A4 Laminator

Ensure your documents are safeguarded with the GBC 240 laminating machine. Built for high performance, this A4 laminator features a fast 2-minute warm-up time and can laminate a 75-micron A4 sheet in just 45 seconds, providing an efficient solution for all your home office needs.

Product Code

**4410068UK**

Product Weight

**1.70 kg**

### Features & Benefits

- Laminates from ID card to A4 sized documents
- Fast throughput speed of 400mm/min (A4 = 45 secs)
- Laminates pouches from 2x75 (75) to 2x125 (125) micron
- SMART status LED: glows red during warm-up and turns blue when the laminator is ready to use
- The jam release lever allows easy manual removal of misfed or jammed pouches
- Conserve energy with the 15-minute active standby feature which detects inactivity
- For best results use with GBC document pouches. CE certified, TUV/GS.
- Targeted at Home Office users with occasional laminating usage
