## GBC 480HS A3 Laminator

The GBC 480HS is a high-speed A3 laminator that delivers fast, reliable document protection, designed for busy office environments. Featuring a rapid 1-minute warm-up time and the ability to laminate a 75-micron A4 sheet in just 23 seconds, it ensures efficient, high-quality results for all your professional laminating needs.

Product Code

**4410072UK**

Product Weight

**3.57 kg**

### Features & Benefits

- Laminates from ID card to A3 sized documents
- Fast throughput speed of 800mm/min (A4 = 23 secs)
- Laminates an A4 75-micron High-Speed (**HS**) pouch in just 16 seconds
- Laminates pouches from 2x75 (75) to 2x175 (175) micron
- SMART status LED: glows red during warm-up and turns blue when the laminator is ready to use
- SMART entry guide LEDs: ensure pouches feed straight through the laminator to prevent jams
- The control panel features an anti-jam reverse button for easy removal of misfed pouches
- Advanced features include auto-reverse and variable speed motor for a flawless finish
- Conserve energy with the 15-minute active standby feature which detects inactivity
- For best results use with GBC document pouches. CE certified, TUV/GS.
- Targeted at more advanced Office users with frequent laminating usage
