

## Leitz Ergo Active Anti Fatigue Mat

Stay active and FEEL GOOD with the high-quality premium Leitz Ergo Active Anti-Fatigue Mat, thoughtfully designed to promote natural movement and deliver enduring comfort for anyone who spends long hours standing at work, whether in an office, home office, or other settings. Prolonged standing on hard surfaces can lead to discomfort and strain in your feet, legs, and lower back, making proper support essential for maintaining a healthy and productive workspace.

This ergonomically designed anti-fatigue standing mat features multiple massage zones that can help prevent and relieve stress, ease muscle tension, promote blood circulation and support stretching. Its elevated edge naturally encourages foot movement, keeping your body active and engaged throughout the day, while the raised massage nodes provide soothing relief for bare feet, also with socks. Strong and durable, this premium standing desk mat features a high quality soft foam cushioning that can help to improve foot fatigue and support good posture. The removable massage ball offers a deeper, targeted relief to the foot but can also be used for tired wrists and shoulders, making it a versatile tool for enhancing your physical well-being. The anti-slip base ensures stability and safety for a secure standing experience.

The compact design of this standing desk mat allows for easy storage, with a built-in handle for convenient carrying or hanging. Its modern and minimalist style makes it a perfect addition to your home, office, or workplace, enhancing comfort and boosting productivity. Our mission is to provide solutions that empower individuals to thrive at work and beyond, promoting positive mental health and physical wellness. Combine with other Leitz Ergo products to customize your flexible and individual sit, stand & move workstation. Stay active, feel inspired, and enjoy comfort at work and beyond – where human-centric design meets premium quality. FEEL GOOD with Leitz.

## Attributes

- A sleek, ergonomic anti-fatigue mat designed to keep you moving and comfortable at your standing desk—encouraging active movement whether you're at home, in the office, or any other workplace
- Standing mats can have a positive effect on overall well-being by improving posture and reducing strain on feet, legs, lower back and joints caused by standing for long periods. Tested and recommended by the German IGR Institute for Health and Ergonomics, according to DIN 26800 EN ISO 15537
- The elevated edge naturally encourages foot movement, promoting regular full-body activity, while the raised soft massage nodes give relief to bare feet but also with socks
- Various massage zones and massage ball can help prevent and relieve stress, ease muscle tension, promote blood circulation and support stretching
- Featuring a removable massage ball (50mm) designed to provide deep, targeted relief for your feet, as well as tired wrists and shoulders
- Premium soft cushioned PU foam textured surface with shock absorption supports correct posture while helping reduce fatigue and discomfort that can result from standing on hard surfaces
- Made from durable material, it's perfect for high-traffic areas. The anti-slip base with non-scratch ensures safety and protects floors
- Designed for use with socks, bare feet or shoes, featuring a water-resistant surface that protects against spills and wipes clean effortlessly
- Compact and lightweight with a built-in carry handle making it easy to transport and store or hung on a Leitz Ergo Pegboard Organiser (65490000)
- Arrives fully assembled in plastic-free, recyclable packaging, complete with simple usage instructions
- Create yourself an individual and comfortable work environment to FEEL GOOD with Leitz Ergo
