Yealink UH35 Datasheet

Yealink USB Wired Headset

Yealink UH35 is a professional USB-wired headset. With a 35 mm speaker and excellent stereo sound, you can have an extraordinary audio experience for calls and music. The noise reduction technology of the dual microphone allows you to have clearer calls, and the noise-isolating foam oval ear cushions deliver great passive noise cancellation. The headset is ultra-lightweight and extremely comfortable, with a skin-friendly leather headband and ear cushions to wear all-day comfort. Whether working remotely in the office or at home, UH35 lets you focus on your work and improve your productivity. It can work seamlessly with major UC platforms and integrate natively with Yealink IP phones.

Key Features

Dual Noise-Canceling Microphones

The dual-microphone Noise Cancellation and Acoustic Shield Technology can intelligently shield the noise and only pick up the speaker's voice to send. It helps improve the call's clarity and quality and brings the ultimate calling experience.

Phenomenal Audio for Call and Music

With a 35 mm large speaker, UH35 supports dynamic EQ to automatically switch call or music modes. You can enjoy clear and natural sound quality in call mode and spacious and detailed sound quality in music mode. The new angled ear cushion design and oval memory foam isolate the ambient noise, bringing excellent passive noise reduction and creating the best listening experience.

Ultra-lightweight & ergonomic design

UH35 weighs about 15% less than the previous USB headset generation. UH35 is well-built with a sturdy-feeling design made of high-grade plastic reinforced by a metal frame. The skin-friendly material, soft memory foam, and ergonomic ear-fitting design bring you a comfortable all-day experience.

Busylight

The busylight will automatically glow red when you are on a call or in a meeting to reduce external interference and improve work efficiency. You can also manually turn on the busylight to indicate your

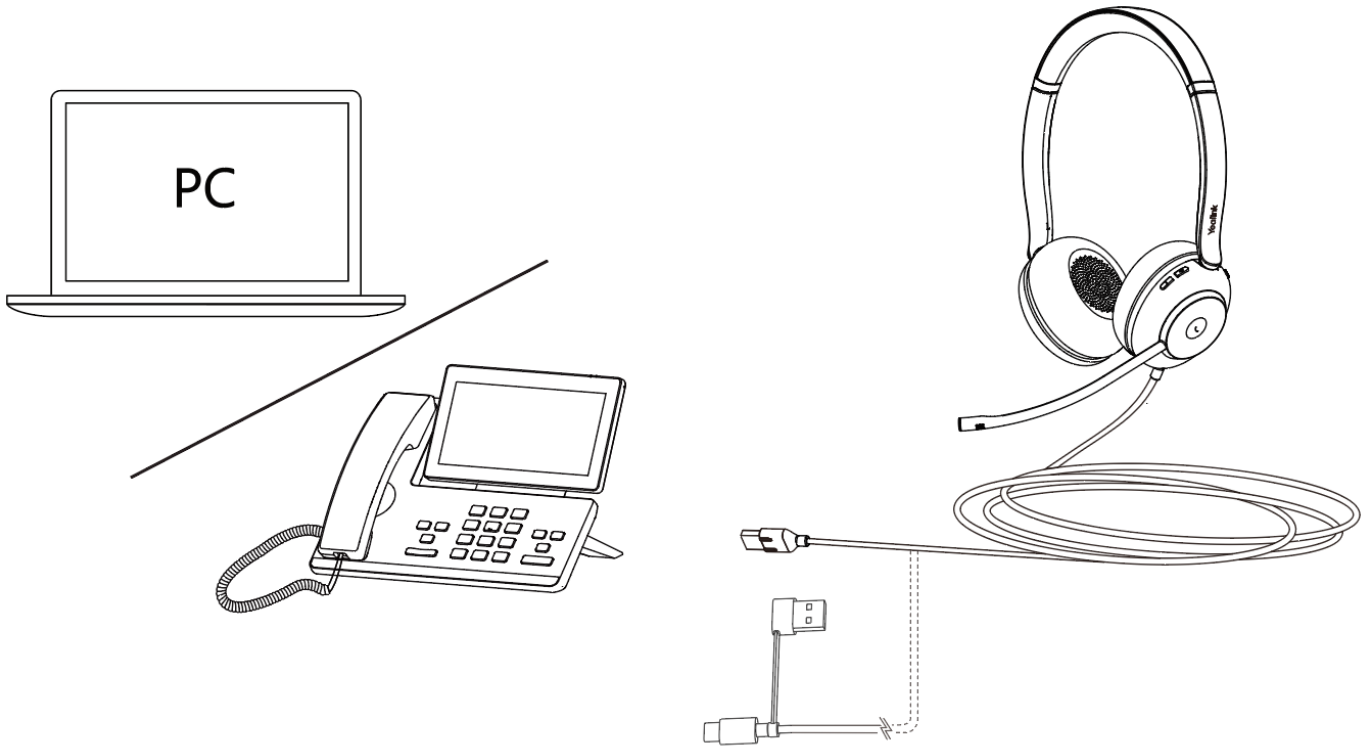

working state directly and block outside distractions.
